Participation in any and all activities within this facility and/or sponsored by The University of Akron is voluntary. All participants understand and agree that use of this facility and/or participation in an activity sponsored by the university is at their own risk and that the university is not responsible for any incidents, injuries or loss of property that may occur.

All team representatives, including players, substitutes, replaced players, coaches, trainers, spectators and/or other persons affiliated with the team are subject to the rules of the game and shall be governed by decisions of Officials assigned to the game as well as the Site Supervisor.

Current National Intramural-Recreational Sports Association rules shall apply, with the following clarifications and modifications in effect:

GENERAL INFORMATION:

- All students, faculty or staff can participate provided they meet the eligibility requirements outlined in the Intramural Sports Participants Handbook. All participants must present a valid, physical copy, University of Akron ZipCard. **NO ID, NO PLAY!**
- All games will be played in the Stiles Athletic Fieldhouse.
- Following three (3) weeks of regular season play, teams will advance to a single elimination playoff bracket, provided their sportsmanship rating maintains a minimum average of 9.
- Each team will consist of 4 players; a minimum of 3 is required to avoid a forfeit.
- A player may only play on one (1) team in any given league (i.e.: one single-gender team, and one co-rec team).
- Each team shall designate to the Officials a player as the field captain. This person is the only player who may communicate with the Officials.

EQUIPMENT:

- Teams must provide a football of their own choosing to be used when in possession of the ball. **Men's leagues must use a regular size football**, while women's and co-rec teams may choose to use a regular, intermediate, junior or youth size football.
- Flagbelts will be provided by Intramural Sports on-site, and **must be free of knots, may not be looped, tied or wrapped, and must be clipped in the front**. The secured flags should hang with one on each hip and one in the back.
- **Short or pants with pockets or belt loops may not be worn.** Shorts with pockets that are secured with a lining on the inside, may be worn inside out, provided the pockets lay flat and do not hang loose.
- Molded cleats (non-metal tipped) or other athletic footwear may be worn; no sandals, boots or other shoes are allowed. Shoes must be worn at all times.
- Teams shall wear jerseys that are of like color with numbers on the back. Team jerseys must contrast with the jerseys of the opposing team. If teams are wearing the same color jersey, the **Visiting Team** on the game sheet will wear the provided scrimmage jerseys. Jerseys may not be tied in a manner that creates any type of knot. A team member shall not remove the jersey and/or pants/shirt within the visual confines of the playing area during the game.
- **Shirts must remain tucked in at all times.** Shirts that cannot be tucked in must be a minimum of 4” above the flagbelt. Shirts with cutoff sleeves are not permitted, unless the hole is no larger than 4” below the armpit.
- **All jewelry must be removed, and can NOT be taped over.**
Only Medical Alert bracelets and/or necklaces will be permitted, and must be taped to the body, leaving vital information visible.

GAME FORMAT:

- The winner of a coin toss shall select first possession, choice of direction, or defer their choice to the 2nd half.
- The offensive team takes possession of the ball at their 10-yard line and has four (4) downs to cross midfield. Once a team crosses midfield, they will have four (4) downs to score a touchdown.
  - If the offense fails to score, or cross midfield, within the allotted downs their opponent takes possession at the yard line on which the series of downs ended.
  - There are NO PUNTS in 4v4 flag football.

TIMING:

- All games shall consist of two 10 minute halves.
- During the first 19 minutes of play, the clock shall run and only stop for a team or official’s time-out. The final one (1) minute of the second half shall be played with stop timing; the clock will stop on all whistles except de-flagging in-bounds without crossing midfield or a touchdown.
- After a stopped clock, time will begin at the snap of the ball, unless in the final minute of the game as dictated by the previous play.
- Once the ball is marked ready for play, a team has 25 seconds within which to snap the ball.
- Each team will receive one (1) charged time-out per half. A time-out request must come from any player who was on the field when the ball became dead.
- Once a team captain makes a choice of going for a 1, 2, or 3-point conversion after scoring a touchdown, he/she may change the decision only if a charged time out is granted to either team.

PLAYERS:

- Players arriving late must check-in with the Scorekeeper, prior to entering the game.
- All plays must originate with a snap from center. This snap must be received at least two (2) yards behind the offensive scrimmage line. The snap may be made between the legs or to the side of the snapper.
- The offensive team must have at least one (1) player on their scrimmage line at the snap. The snapper may count as that one player.
- Only one (1) offensive player may be in motion when the ball is snapped. This motion must begin more than one second before the ball is snapped, and must be parallel to or away from the line of scrimmage.
- After the ball is marked ready-for-play, each player of the offensive team must momentarily be within 10 yards of the ball prior to the snap before moving closer to the sideline.
- No defensive player may be closer than one (1) yard to the line of scrimmage during all scrimmage downs, as indicated by the neutral zone markers. Players may not break the neutral zone until the ball is snapped.
- Offensive players are responsible for retrieving the ball after a down has ended. The snapper may have the ball spotted or bring it to the huddle to dry and clean it.

RUNNING THE BALL:

- ANY offensive player may NOT break the offensive scrimmage line (from behind to beyond the neutral zone) by running the ball unless after a legal forward pass is caught beyond the offensive line of scrimmage or a change of possession.
  - The penalty for this infraction is an illegal procedure.
4on4 flag football is designed to be a passing game. There are no restrictions after a change of possession or once a legal forward pass is caught beyond the offensive scrimmage line.

- A runner shall not flag guard by using his/her hands, arms, or the ball to cause contact between the runner and an opponent that denies the opponent the opportunity to pull or remove the flag belt. "Spinning" or jumping to avoid being deflagged is legal. Actions such as slapping with the hand or stiff arming are examples of flag guarding.
- A ball carrier may not hurdle a player to avoid deflagging. Hurdling is interpreted as an attempt by a runner to jump over a player still on their feet with the feet or knees of the runner foremost.
- If a player inadvertently loses their flags or it is pulled by the opposition before gaining possession of the ball, the play will continue and the player must be downed by a one hand touch, between the shoulders and waist, including the hand and arm.
- A player will be ruled "down" when any part of the body other than the hand or foot touches the ground, or he/she has been de-flagged.
- The defender may not play the person, nor may they hold or tackle the runner while deflagging the ball carrier. Any incidental (momentary) contact of the ball carrier while attempting to pull flags is permitted.
- A fumbled or muffed ball is dead when it strikes the ground.
- When an inadvertent whistle occurs, the offended team will have the option of taking the play with the ball spotted at its location when the whistle blew, or replay the down.
  - If the ball is loose following a backward pass or fumble, the team will have the option of taking the ball at the spot where possession was lost or replay the down.
  - During a legal forward pass if an inadvertent whistle occurs, the ball is automatically returned to the previous spot and the down replayed.
- It is illegal to attempt to steal a ball in player possession. The object of the game is to deflag a ball carrier, not steal or strip the ball.
- In pulling a flag and/or touching a ball carrier, a defender's feet MAY leave the ground. Diving is legal by defensive or offensive players, however, the diving player is still responsible for any contact which they initiate.

**BLOCKING & RUSHING:**

- No part of the body except the feet shall be in contact with the ground and the feet must remain on the ground for the duration of the block.
- Blocking will be by **SCREENING** only. That is, a blocker must hinder an opponent's movement through positioning rather than body contact.
- During a block, the body must remain upright with elbows and hands touching the body at the side, in front, or behind the back.
- While incidental contact may occur, blocking/rushing penalties will be called against the player who initiates the illegal contact.
- The defense may not use hands, arms, or legs as a wedge to gain an advantage over a blocker.

**PASSING:**

- A forward pass may be thrown from any point behind the line of scrimmage.
- A **player has seven (7) seconds from the time of the snap to release the ball.**
  - If the ball has not been released at the end of this time period, the play shall be blown dead. If this occurs, it will be a loss of down and the ball will be placed at the previous spot.
- All incomplete backward passes shall be marked down at the point of ground contact.
- Only one forward pass is permitted during each down.
- A forward pass is illegal if:
  1. It is thrown from beyond the line of scrimmage.
  2. It is intentional grounding.
3. It is thrown after a change of possession.
4. The passer catches his/her untouched forward pass.
5. It is the second forward pass during a down.

- All players except the passer are eligible to receive a pass.
- A player must have complete possession of the ball and land with the first part of their body inbounds, normally one foot, to be a legal reception.
- A pass intercepted in the end zone may be advanced, except during an extra point attempt.
- If the passer is deflagged prior to releasing the ball, the ball is dead at that spot and the down has ended.
- If an offensive player goes out-of-bounds on his/her own accord and returns inbounds to contribute to the play, it is an illegal participation penalty.
- **Roughing the Passer** – defensive players may not initiate contact on the passer while the passer’s arm is in a forward throwing motion. Defensive players must also make a definite effort to avoid charging into a passer after it is clear the ball has been thrown. No defensive player shall contact the passer who is standing still or fading back as he/she is considered out of the play after the pass.

**SCORING:**

- Point values will be as follows:
  - Touchdown: 6 points
  - Safety: 2 points
  - PAT from 3 yard line: 1 point
  - PAT from 10 yard line: 2 points
  - PAT from 20 yard line: 3 points
- **No interceptions on a PAT may be returned**; an interception during a PAT will be blown dead at time of interception.
- **Touchdown Verification** – the player scoring the touchdown must raise his/her arms so the nearest official can deflag the player. If the player is not deflagged with one pull, and the official determines the flag belt has been secured illegally, the touchdown is disallowed, the player is disqualified and it is a penalty.
- **Mercy Rule**: If a team is ahead by the following points at or inside the corresponding times, the game shall be over:
  - 50 points at or inside the second half.
  - 19 points at or inside the final one (1) minutes.

**OVERTIME:**

- Only applies during bracket play, **NOT in the regular season**.
- Should a game end with a tie score, the following system shall be used:
- Coin toss with the following options.
  1. Offense or defense
  2. Goal – both teams will use the same goal on offense
- Each team is allowed one (1) down in which to score by passing from the 3 yard line for 1 point, from the 10 yard line for 2 points, or from the 20 yard line for 3 points.
- This type of play will continue until there is a winner.

**PENALTIES:**

- The offended team may have its choice of the penalty, or the result of the play.
- When both teams commit an infraction during the same live ball period, regardless of the severity, the down is automatically replayed, provided there is no change of possession. If an ejection is warranted, this may occur even though no yardage is assessed.
When a live ball and dead ball penalty occurs, each is handled on its own merit, regardless of whether the penalties are on the same or opposing teams.

Live ball fouls committed by either team after the original defense gains possession during a try or an overtime shall be enforced at the succeeding spot (where the ball will next be snapped).

UNSPORTSMANLIKE CONDUCT:

- All unsportsmanlike conduct penalties are penalized as a dead ball foul. A player receiving an unsportsmanlike conduct foul must sub out for the subsequent down. If a penalty occurs on the subsequent down which results in repeating the down the player may re-enter the game. If a dead ball penalty occurs between downs the player may still not re-enter until after the subsequent down.
- If a fight occurs on the playing field, all team substitutes are to remain in their team box. If a substitute enters the field to observe, separate participants, become involved in the fight, etc. he/she will be disqualified and a 5-yard unsportsmanlike conduct penalty will be enforced from the succeeding spot. Each individual substitute who enters illegally will be disqualified and penalized. Entering substitutes, who are on the field for substitution purposes before the fight, will not be penalized for being there if they do not participate in the fight.
- The second unsportsmanlike conduct penalty by the same player results is disqualification. The third unsportsmanlike conduct penalty on the same team will result in forfeiture.
- The ejected player must meet with the Manager of Intramural Sports before he/she is allowed to participate in any intramural contest moving forward.

CO-REC MODIFICATIONS:

- Co-Rec Teams consist of four (4) players, two (2) men and two (2) women. A team may play with uneven numbers of men and women so long as the number of either gender does not exceed one (1).
• If a female player scores a touchdown, the point value is nine (9). If a female player throws a legal forward pass and a touchdown is scored by ANY offensive player, the point value is nine (9). All other touchdowns will score six (6) points.

• Mercy Rule: If a team is ahead by the following points at or inside the corresponding times, the game shall be over:
  o 50 points at or inside the second half.
  o 25 points at or inside the final one (1) minutes.

• Open/Closed Plays- After any change of possession, a team will begin their offensive series with an "open" play. In "open" plays, any gender passer may complete a pass to any gender receiver. During a "closed" play, either the passer or receiver (or both) MUST include a female if the pass is completed.
  o During the offensive team's possession there may not be two (2) consecutive forward pass completions from a male passer to a male receiver.
  o If a male passer completes a forward pass to a male receiver, the next play will be closed.
  o During a closed play, the next forward pass completion must involve either a female passer or a female receiver for positive yards.
  o If a female is involved as the passer and/or receiver during a completed legal forward pass for positive yardage, the next play will be open.
  o Any play where a forward completed pass is not involved will not open the next play.
  o The spot where the ball becomes dead must be beyond the offensive team's scrimmage line.
  o This rule also applies to the try-for-point.
  o Penalty: Illegal Male Reception, 3 yards from the previous spot, and a loss of down.
  o Any penalty, whether accepted or declined, shall have no effect on whether the play from scrimmage is "open" or "closed".

AWARDS:

• The winning team in each league will receive Intramural Sports Champion t-shirts.
