Participation in any and all activities within this facility and/or sponsored by The University of Akron is voluntary. All participants understand and agree that use of this facility and/or participation in an activity sponsored by the university is at their own risk and that the university is not responsible for any incidents, injuries or loss of property that may occur.

All team representatives, including players, substitutes, replaced players, coaches, trainers, spectators and/or other persons affiliated with the team are subject to the rules of the game and shall be governed by decisions of officials assigned to the game as well as the site supervisor.

Current USA Badminton rules shall apply, with the following clarifications and modifications in effect:

**GENERAL INFORMATION:**

- All students, faculty or staff can participate provided they meet the eligibility requirements outlined in the Intramural Sports Participants Handbook. All participants must present a valid, physical copy, University of Akron ZipCard. **NO ID, NO PLAY!**
- All games will be played in the 3-court gymnasium of the Student Recreation & Wellness Center.
- A player may only play on one (1) team in any given league (i.e.: one single-gender team, and one co-rec team).
- This is a self-officiated event; any disputes can be brought to the attention of the Site Supervisor. If there is still no resolve, the serve shall be replayed.
- Each team shall designate to the Officials a player as the court captain. This person is the only player who may communicate with the Officials.

**EQUIPMENT:**

- Pickleball racquets and balls will be provided by the intramurals staff.
- Non-marking athletic shoes must be worn. No sandals, boots or non-athletic shoes will be allowed.
- Players may wear a headband made of soft pliable material. No other headwear will be allowed.
- **All jewelry must be removed, and can NOT be taped over.**
  - Only Medical Alert bracelets and/or necklaces will be permitted, and must be taped to the body, leaving vital information visible.

**GAME FORMAT:**

- A coin toss or paddle spin, called by the Visiting Captain, at the beginning of the match will determine the choice of service or side. The winning Captain will have the following options:
  - Service in either the first or second match, OR
  - Side of court in either the first or second match
    - Teams will change sides of the court between the first and second match.
  - The opponent is allowed the alternate choice.
- Pickleball is played either as doubles (two players per team) or singles; doubles is most common
- The same size playing area and rules are used for both singles and doubles

**THE SERVE:**

- The serve must be made underhand.
- Paddle contact with the ball must be below the server’s waist (navel level).
• The serve is initiated with at least one foot behind the baseline; neither foot may contact the baseline or court until after the ball is struck.
• The serve is made diagonally crosscourt and must land within the confines of the opposite diagonal court.
• Only one serve attempt is allowed, except in the event of a let (the ball touches the net on the serve and lands on the proper service court; let serves are replayed).

SERVICE SEQUENCE:

• Both players on the serving doubles team have the opportunity to serve and score points until they commit a fault *(except for the first service sequence of each new game).
• The first serve of each side-out is made from the right-hand court.
• If a point is scored, the server switches sides and the server initiates the next serve from the left-hand court.
• As subsequent points are scored, the server continues switching back and forth until a fault is committed and the first server loses the serve.
• When the first server loses the serve the partner then serves from their correct side of the court (except for the first service sequence of the game*).
• The second server continues serving until his team commits a fault and loses the serve to the opposing team.
• Once the service goes to the opposition (at side out), the first serve is from the right-hand court and both players on that team have the opportunity to serve and score points until their team commits two faults.
• In singles the server serves from the right-hand court when his or her score is even and from the left when the score is odd.

*At the beginning of each new game only one partner on the serving team has the opportunity to serve before faulting, after which the service passes to the receiving team.

SCORING:

• Points are scored only by the serving team.
• Games are normally played to 11 points, win by 2.
• Tournament games may be to 15 or 21, win by 2.
• When the serving team’s score is even (0, 2, 4, 6, 8, 10) the player who was the first server in the game for that team will be in the right-side court when serving or receiving; when odd (1, 3, 5, 7, 9) that player will be in the left-side court when serving or receiving.

DOUBLE-BOUNCE RULE:

• When the ball is served, the receiving team must let it bounce before returning, and then the serving team must let it bounce before returning, thus two bounces.
• After the ball has bounced once in each team’s court, both teams may either volley the ball (hit the ball before it bounces) or play it off a bounce (ground stroke).
• The double bounce rule eliminates the serve and volley advantage and extends rallies.

NON-VOLLEY ZONE:

• The non-volley zone is the court area within 7 feet on both sides of the net.
• Volleying is prohibited within the non-volley zone. This rule prevents players from executing smashes from a position within the zone.
• It is a fault if, when volleying a ball, the player steps on the non-volley zone, including the line and/or when the player’s momentum causes them or anything they are wearing or carrying to touch the non-volley zone including the associated lines.
• It is a fault if, after volleying, a player is carried by momentum into or touches the non-volley zone, even if the volleyed ball is declared dead before this happens.
• A player may legally be in the non-volley zone any time other than when volleying a ball.
• The non-volley zone is commonly referred to as “the kitchen.”

LINE CALLS:

• A ball contacting any line, except the non-volley zone line on a serve, is considered “in.”
• A serve contacting the non-volley zone line is short and a fault.

FAULTS:

• A fault is any action that stops play because of a rule violation.
• A fault by the receiving team results in a point for the serving team.
• A fault by the serving team results in the server’s loss of serve or side out.
• A fault occurs when:
  o A serve does not land within the confines of the receiving court
  o The ball is hit into the net on the serve or any return
  o The ball is volleyed before a bounce has occurred on each side
  o The ball is hit out of bounds
  o A ball is volleyed from the non-volley zone
  o A ball bounces twice before being struck by the receiver
  o A player, player’s clothing, or any part of a player’s paddle touches the net or the net post when the ball is in play
  o There is a violation of a service rule
  o A ball in play strikes a player or anything the player is wearing or carrying
  o A ball in play strikes any permanent object before bouncing on the court

AWARDS:

• The winning participant in each division will receive Intramural Sports Champion T-shirts.
