Participation in any and all activities within this facility and/or sponsored by The University of Akron is voluntary. All participants understand and agree that use of this facility and/or participation in an activity sponsored by the university is at their own risk and that the university is not responsible for any incidents, injuries or loss of property that may occur.

All team representatives, including players, substitutes, replaced players, coaches, trainers, spectators and/or other persons affiliated with the team are subject to the rules of the game and shall be governed by decisions of Officials assigned to the game as well as the Site Supervisor.

GENERAL INFORMATION:

- All students, faculty or staff can participate provided they meet the eligibility requirements outlined in the Intramural Sports Participants Handbook. All participants must present a valid, physical copy, University of Akron ZipCard. **NO ID, NO PLAY!**
- All games will be played in the 2-court gymnasium of the Student Recreation & Wellness Center.
- Following three (3) weeks of regular season play, teams will advance to a single elimination playoff bracket, provided their sportsmanship rating maintains a minimum average of 9.
- Each team will consist of six (6) players; a minimum of five (5) is required to avoid a forfeit.
  - Teams may be comprised of any combination of males/females.
- A player may only play on one (1) team in any given league (i.e.: one single-gender team, and one co-rec team).
- Each team shall designate to the Officials a player as the court captain. This person is the only player who may communicate with the Officials.

EQUIPMENT:

- Intramural Sports will provide all required equipment.
- Gloves may NOT be worn.
- Non-marking athletic shoes must be worn. No sandals, boots or non-athletic shoes will be allowed.
- Players may wear a headband made of soft pliable material. No other headwear will be allowed.
- **All jewelry must be removed, and can NOT be taped over.**
  - Only Medical Alert bracelets and/or necklaces will be permitted, and must be taped to the body, leaving vital information visible.

GAME FORMAT:

- All games will be seven (7) innings in length or 40 minutes, whichever comes first.
  - If an inning is in progress after 40 minutes, and the home team is losing, the inning must be completed.
- No new innings will begin after the 40 minutes have expired.
- There will be three (3) outs per team, per inning.
- **MERCY RULE:** All games must play at least four (4) innings, provided the fourth inning is started before the time limit. The game will be over if after the inning the home team is ahead by:
  - 20 runs after four (4) innings.
  - 15 runs after five (5) innings.
  - 10 runs after six (6) innings.

THE GAME:

- Teams are limited to a maximum of 10 runs per inning.
If a team reaches the 10 run limit, the opposing team will take its turn to bat.

- Home runs will be administered with the “plus one” rule.
  - Each team is permitted eight (8) over-the-fence home runs per game.
  - When Team A hits its 8th home run, each additional home run will count as an out UNTIL Team B also reaches their 8th home run.
  - Once both teams have reached eight (8) home runs, each will be given one (1) additional home run. This “plus one” rule will continue for the remainder of the game.

- A hit ball that passes beyond the fence, after hitting in fair ground, without being controlled by a player, will result in a ground rule double.
  - A hit ball that bounces directly off a fielder and over the fence will be ruled a home run but not count against a team’s home run count total.

- Teams will provide their own pitcher to pitch to his/her own team, and will pitch from behind the 25-foot line.
  - Pitches may be thrown overhand or underhand.

- If a player is the next player at-bat and he/she is on base, the team may use a pinch runner.
- Each batter will receive three (3) pitches ONLY. After the 3rd pitch, the batter will be automatically out if unable to successfully put the ball in fair territory.
- In order to throw a runner out, the ball must be thrown to the base, OR contact the runner below the shoulders with the ball.
  - If the runner ducks to avoid being hit and, consequently, is contacted above the shoulders, the runner is out.
- Any hit ball contacting a base runner before any defensive player results in the base runner being out.
- Throwing of the bat will result in one warning and the next infraction will result in an automatic out. However, if the bat contacts another player or the umpires it will be an automatic out.
- Any hit ball contacting an overhead obstruction (ie: basketball hoop) in fair play is considered a dead ball, and counts as a strike.
- If a fly ball is caught in the air (without hitting any type of obstruction) the batter is automatically out. A catch cannot be made off a wall or ceiling.
  - Any ball hit onto the fire escape or the batting cages or comes to a complete rest on any other overhead obstruction is an automatic out.
- If a player catches a ball out of play (i.e. beyond the home run wall) then it is as if the ball was not caught (i.e. example would count as a home run).
  - If a player’s momentum carries him out of play while catching a ball then the play is deemed in play and the game continues, which may end in an out.
- Any throwed ball contacting an overhead obstruction will award one (1) base to the runner.
- A double base will be used at 1st base; the runner uses the outside base and the fielder uses the inside base. When making an out at 1st base, the defender must tag the inside base, or the runner will be called safe. If while making an out, the defender interferes with the batter running to the red base, the batter will be safe.
- No bunting allowed; automatic out.
- Runners may not lead off the base. Any runner leading off before the ball crosses home plate will be called out.
- There will be no stealing of bases allowed.

AWARDS:

- The winning team will receive Intramural Sports Champion T-shirts.
