Recognized Student Organization Glossary of Terms

Annual Registration Process
All officially recognized student organizations will re-register each academic year.

- The steps to renewing annual registration will be shared by the SOuRCe each spring semester - the annual registration process takes place over the summer and into the fall semester.
- The registration deadline is the second Friday in September.
  - If registration expires and an organization has not completed the necessary steps, all privileges are forfeited until registration is completed.
  - Upon completion of registration, privileges will be reinstated.
- Organizations that fail to register for two consecutive years will lose their status as a recognized student organization and will be required to go through the New Student Organization Recognition process. Any funding remaining in the organization’s SAF (Student Activity Fund) account after two years will be forfeited.

In order to renew registration on RooConnect, the organization representative will need to be an officer and have “administrator” rights to the group’s portal.

Business Days Definition
References in this manual to business days are defined as Monday-Friday excluding University holidays or other days when the University is closed for business (ex. Due to inclement weather).

Campus Advisor Requirements
In order to be considered officially registered and recognized, all student organizations will have a functioning Campus Advisor.

- To qualify as the Campus Advisor, the individual are required to have a classification of full-time faculty or contract professional at The University of Akron.
- Student organizations cannot limit their Campus Advisor requirements (stated in the organization constitution) to a person who represents a specific interest, discipline, academic area, etc.
- Organizations may utilize the talent and skills of professionals on campus to benefit their organization as they see fit. However, please note that only one person can be denoted as the official advisor to the group.
- The SOuRCe will conduct an annual Campus Advisor Audit. Organizations utilizing a Campus Advisor that has not met these classifications will have a pre-determined time period to arrange a new Advisor.
- Final approval of the Campus Advisor will rest with the Department of Student Life.

If an organization wishes to change their Campus Advisor, the group may do so within the parameters set forth in the group’s Constitution and the SOuRCe.

General Service Fee
Financial support (UAF/EAF) for registered student organizations comes from the General Service Fee

- Parameters of this fee include:
  - The General Service Fee is paid for by students taking credit courses and provides funds that support student activities and services, including:
    - the health professionals in Student Health Services
    - intramurals
    - UA-recognized student organizations
• intercollegiate athletics
• other co-curricular activities

Membership
As indicated in the Recognition Agreement for organizations:

• It is the policy of this institution that there shall be no unlawful discrimination against any individual in employment or in its programs or activities at the university of Akron because of race, color, religion, sex, sexual orientation, gender identity or expression, age, national or ethnic origin, disability, status as a parent during pregnancy and immediately after the birth of a child, status as a parent of a young child, status as a foster parent, military status, genetic information, or status as a veteran. The university of Akron prohibits sexual harassment of any form in all aspects of employment and in its programs and activities and prohibits discrimination on the basis of sexual and racial or ethnic orientation in employment and admissions. See UA Board Rule 3359-38-01 (A2).

• In addition, membership is intended only for University of Akron students which are enrolled in credit baring classes and are deemed in Good Standing with the University.

• Students enrolled in the Sixty-Plus (60+) Program have the opportunity to audit credit classes on a space-available basis. Auditing allows students to enroll in courses, but college credit is not awarded.
  o Since these students do not take credit-baring courses, they are not eligible to partake in student organizations on campus (see General Service Fee).

• Students enrolled in the postsecondary program (College Credit Plus) at the University are provided the opportunity to enroll in a college or university to earn both college and high school credit.
  o Though these students pay certain aspects of student fees, they are not eligible to partake in students organizations on campus - this policy is in place due to liability and risk management concerns.
Organization Updates

As organizations change advisors, officers, or guiding documents, they are required to update their information with the SOuRCE. It is the organization’s responsibility to ensure that the most up-to-date information is on file within “Settings” on RooConnect.

- It is required that organizations update their list of officers as changes occur throughout the semester.
- A constitution template and membership roster is provided for organizations to use.

Registration Statuses

- **Active [Registered] & Recognized**: Registration has been fully completed for the academic year.
- **Inactive**: Organizations that did not complete all the registration requirements for the academic year but do wish to re-register in the near future.

  - These groups are still considered “recognized” during this time, however they are “unregistered” until all updates are made in RooConnect and attendance at a leadership retreat (per the offerings of their classification – Law, Club Sports, FSL, Student Life).
- **Unregistered & Non-Recognized**: Organizations that have not been recongized on campus or are no longer within the two year window to do so.

Guiding University Policies for Registered Student Organizations

Current University protocols related to Covid-19 may impact the information provided in this section.

In order to ensure all organizations are representing the University in an appropriate manner, and upholding necessary guidelines, the following policies are in place:

Advertising on Campus
Student organizations are encouraged to market programs and events throughout campus, however policies are in place which may dictate the manner in which your organization chooses to advertise.

a. **Emails**: students are encouraged to utilize Zipmail and RooConnect to advertise upcoming programs, events or membership information. Mass-emails to email addresses not directly provided to an organization is discouraged.

b. **Posters**: student organizations are encouraged to post information about upcoming events on public posting boards throughout campus.
   a. These boards can be found in a variety of campus buildings and it is the responsibility of the organization to hang and take down information. Student organizations are discouraged from hanging signs on walls, in restrooms, or on other fixtures not approved as public posting areas.
   b. Please remember when using posters that the Student Organization Disclaimer must be included at the bottom of the flyer or poster.

c. Students wishing to create marketing pieces for their organization are encouraged to utilize the free marketing services provided by the Department of Student Life. These services are provided by graphic design students who can assist organizations with the creation of t-shirts, posters, flyers, etc. Please contact the SOuRCe for more details.

d. Students wishing to purchase giveaways, t-shirts, banners, etc. are encouraged to have the design approved by the SOuRCe. This will ensure that student organizations are utilizing the University’s name and any branded icons in an approved manner.
   a. In addition, students are encouraged to utilize the preferred vendors (listed herein) for the purchase or quote of these items.

e. In the event a student organization wishes to create a logo, the design will be reviewed and approved via the SOuRCe. This will ensure that the organization is utilizing the University’s name and any branded icons in an approved manner.

f. If an organization wishes to hand out candy or a food item with a flyer as a promotional means, the item must be pre-packaged and not homemade or baked.

g. **Chalking**: Chalking is permitted on campus as a means of advertising organization events. Chalking is permitted only on outside, horizontal, exposed surfaces where rain can wash the chalk away. Chalking is not permitted on vertical surfaces, buildings, under overhangs or on steps, posts, trees, tables and the like. The university reserves the right to remove chalking at its convenience.

Auctions/Raffles or Games of Chance
Raffle ticket auctions, sometimes used in fundraising, are not permitted by most registered student organizations.

- These are auctions in which several prizes are available to win, each with a separate basket for the opportunity to place a raffle ticket into.
- Additional information, if needed, can be located in the Ohio Charitable Gaming Bingo Laws.
  - If your organization is looking to host an activity that may violate this policy, please contact the Assistant Director, Student Life via the SOuRCe.
Bus Vendors

- Student organizations wishing to utilize any type of bus services for pre-approved travel are encouraged to use one of the university’s approved vendors. These include Anderson, Great Day, Barons, and Cardinal. Any other bus company needs to be approved prior to booking.

  Student organizations are not permitted to enter into any type of verbal or written contract other than the University Services Agreement with the SOuRCe office.

Conduct: Hazing, Risk Management, and Inclusivity:

Information in this section related to hazing in the State of Ohio is subject to change pending statewide updates to Ohio Revised Code 2903.31 after the passage of Collin’s Law.

As cited in the Code of Student Conduct - https://www.uakron.edu/sja/  
- “Student organization.” “Student organization” means any number of persons who have complied with the formal requirements for or are actively seeking university recognition as a student organization.
- University authority should not be used merely to duplicate the function of general laws. The university of Akron code of student conduct applies to the conduct of all students and student organizations that occurs on university owned premises or on non-university premises, where the conduct away from university premises is deemed by the university to affect the university of its students and university employees, including but not limited to:
  - Any activity sponsored, conducted, or authorized by the university or by students organizations including but not limited to social events, athletics contest and philanthropic activities.
- Hazing, as defined by the Ohio Revised Code and federal law, is prohibited. It is a violation of this rule for an individual, knowing that hazing has been or is being committed, to knowingly fail to report such information to law enforcement authorities or to student conduct and community standards. Officers of a student organization will report any hazing incident(s) of which they are aware. The consent of the victim is not a defense.

Inclusive excellence is a core value of the University. Student organization officers and members should remain supportive and welcoming to all students interested in involvement opportunities within your organization.

- Please refer to the “Recognition Agreement” and “Constitution Template” for more information.

In order to ensure student organizations are acting in accordance to University policy and procedures, it is always in an officer, Campus Advisor, or member’s best interest to inform the SOuRCe of an issue as soon as possible. This may include but is not limited to concerns regarding fiscal management, hazing, utilization of space on campus, discrimination, violation of a policy included herein, etc.

Fronting

“Fronting” refers to a manner in which a registered organization reserves a space, table, venue for an organization or group of people who have not formally started a student group on campus.

- Fronting is prohibited, as only registered and recognized student organizations should benefit from the rights and privileges provided and noted herein.
- Issues of fronting will be addressed with both student organization parties immediately.

Gas card vs. Mileage Reimbursement

- Student organizations wishing to utilize a rental vehicle for organization travel will be asked to utilize a gas card for all gas expenses.
  - This card can be checked out in the SOuRCe and helps to track the expenses accurately for your trip.
To arrange a gas card for an upcoming trip, please see the SOuRce liaisons.

- If a student wishes to drive their personal vehicle on an organization trip, though discouraged by the University, the student organization can only be reimbursed for mileage.
  - The rate for mileage reimbursements will be dictated by the University’s current rate - which can be found on the Controller’s website: [http://www.uakron.edu/controller/travel.dot](http://www.uakron.edu/controller/travel.dot)
  - Reimbursement may not be awarded for mileage, if driving a non-rented vehicle, for trips outside of 140 miles from campus. The Campus Advisor will approve the reimbursement.

Release of Liability, Photo, & Video

- If a student organization is hosting an event which may require - or benefit from - a waiver, the group will utilize the approved waiver provided by the SOuRce.
  - To obtain a copy of this blanket waiver, please see RooConnect or a SOuRce liaison.

Reserving Rental Vehicles

- All student organizations are strongly encouraged to utilize a rental vehicle if traveling more than 140 miles away from the institution.
  - Due to liability and the unknown condition of student vehicles, the University strongly advises that student organizations utilize the rental agreements with two national car vendors.
- The University has agreements with two national vendors who are considered “preferred” rental vehicle vendors for campus.
  - Students over the age of 18 may rent a vehicle with these vendors
  - The University does not endorse the utilization of 15-passenger vans.
- If utilizing a rental vehicle, be sure to also request a gas card for your expenses.
- For a direct link to reserve a rental vehicle through these companies, please visit Purchasing’s website: [http://www.uakron.edu/purchasing/facultystaff/travel-information--forms.dot](http://www.uakron.edu/purchasing/facultystaff/travel-information--forms.dot)

T-Shirts and other Promotional Items

- The University has agreements with three local vendors:
  - Consolidus LLC (The UA Shop)
  - Global Promotions & Incentives (Shop UA Store)
  - AG PrintPromo Solutions
- Student organizations are restricted to utilize these vendors when looking to purchase promotion items, t-shirts, giveaways, etc. These vendors are aware of institutional brand standards and offer competitive pricing to University-affiliated parties. If a student organization chooses to utilize a vendor that is not approved, the University does not have to issue payment from the organizations UAF/EAF or SAF account, the balance will be left to the organization members to pay.

University Food Policy

- Per the contract between the University and Aramark, dining services has first right of refusal on all food orders across campus. Additionally, due to health and liability issues, food purchased or made by an outside source is prohibited, unless proper approval has been granted by Aramark (University Catering Waiver).
- Aramark is aware that there are many dietary needs, including specific religious and ethnic requests, and will work with organizations to meet these needs and accommodate our guests.
- In the event an organization wishes to bring food on campus, the “University Catering Waiver Request Form”, found on the Aramark website and/or RooConnect, should be completed and turned in prior to the event - through the procedures/timelines stated on the form.
• Please note: bake sales are strictly prohibited on campus (see Terms & Conditions).
• Aramark also offers a “Student Organization Budget-Friendly Menu” - be sure to ask when scheduling food for your event so you can potentially save money.

Utilizing an Outside Vendor/Contracts

• Any student organization wishing to utilize an outside contractor (DJ, Photographer, Lecturer, etc.) should complete an expenditure request on RooConnect 30 business days to any anticipated event, program, or performance. An official invoice from the vendor will be included.
• The organization event/program where a vendor is being utilized must be an approved venue by the University of Akron.
• Lodging/travel expenses/food for the vendor will be approved through the contract creation process and payment included in the contracted fee.
• After receiving this request, the SOuRCE will contact your organization to discuss the additional details that may be needed.
  o Note: the SOuRCE will not send a contract to a vendor without verifying available funds for the organization - this includes SAF/EAF/UAF.
    ▪ In the event an organization is requesting funding support from the government(s), the SOuRCE will wait until an allocation has been made to send the agreement to the vendor(s).
  o Note: if the vendor you wish to use for your event is a University of Akron staff, faculty or student, they may be required to be paid through University Payroll, thus incurring additional fringe benefit costs to the student organization. The vendor, if a university employee, will also be taxed on their payment.
• The signed and completed agreement will be returned to the SOuRCE one (1) week prior to the event.
  o Failure to do so, by either the organization or the vendor, may result in the inability to utilize an outside contractor or cancellation of your event.

Student organizations are not permitted to enter into any type of verbal or written contract other than the University Services Agreement.
